Contents	75 ml
Smell/fragrance	Characteristic
Chemical basis	Hydrocarbon

Art. no. 0893 012 8

P. Qty.: 1 / 24

Details/Application

Protects door, luggage compartment and bonnet rubber seals and provides reliable protection against freezing in winter.

Instructions

Use the sponge attached to the bottle opening to apply a thin layer of Rubber Fit to the rubber seal.

Notice

Use of the product on acrylic glass (PMMA) may result in stress cracks.

Keep away from sources of ignition and do not smoke. In case of contact with eyes, flush thoroughly with water and contact a physician immediately. Only use in well-ventilated areas.

The usage instructions are recommendations based on the tests we have conducted and based on our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result.
