

## Intensive wheel rim cleaner For all painted and unpainted light metal wheel rims and steel rims

### Excellent cleaning performance thanks to gel formula

- No run-off, allowing the product to take full effect
- Effectively loosens even the most stubborn contamination, e.g. brake lining abrasion, bloom, tar, oil and road dirt

### Acid-free

- Protects material and surface
- Especially suitable for polished and high-quality alloy rims
- Not a hazardous substance, safe for the user

### User-friendly

- No run-off, hence economical to use
- Pleasant odour, not pungent
- Long exposure time possible (up to 30 minutes)
- Separates easily, i.e. separates quickly in the waste water in accordance with Ö-Norm (Austrian standard) B5105

### AOX and silicone-free

Chemical basis	Alkaline tenside
Smell/fragrance	Fruity
Colour	Rosy

Density/conditions	1.14 g/cm <sup>3</sup> /at 20 °C
Shelf life from production	12 Month
AOX-free	Yes
Silicone-free	Yes
Bio-degradable	Yes

Contents	Container	Art. no.	P. Qty.
1 l	Spray bottle	<b>0893 476</b>	1/6
5 l	Canister	<b>0893 476 05</b>	1

### Details/Application

For all painted and unpainted light-alloy wheel rims and steel wheel rims.

### Instructions

Spray the wheel rims thoroughly. Let it take effect for approx. 5 minutes and then clean manually or using a car wash. The cleaning effect can be increased by extending the application time (up to max. 30 minutes) and by using a cleaning brush. For bolted and polished wheel rims, rinse well (particularly the bolt connections) with clean water.

### Notice

Do not use on hot wheel rims or in direct sunlight.

The usage instructions are recommendations based on the tests we have conducted and are based on our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result.
