

Cordless angle grinder AWS 18-125 E POWER+ M-CUBE

Illustration only

Compact, powerful, brushless cordless angle grinder for medium- to heavy-duty roughing and cutting work

- Continuous motor monitoring switches the motor off prematurely in the event of blockage, overloading or overheating
- The 3-stage speed regulation (speed regulation from 3,500 to 8,600 rpm; adjustable in 100 rpm steps using W-CONNECT function via ORSYonline) allows optimum speed adaptation to suit the material being machined
- Cover grilles on the ventilation slots provide additional protection against chips
- Efficient, low-maintenance and brushless EC motor with long service life
- Safe working is ensured, as the electronic motor protection function switches the motor off prematurely in the event of a blockage or fall.
- Quick adaptation to various applications is made possible due to the quick-action clamping nut system and the protective cover, which ensure quick, easy and tool-free adjustment
- Convenient, low-fatigue work due to the compact, ergonomic design with additional anti-vibration handle for even greater comfort

Type description	AWS 18-125 E POWER
Nominal voltage	18 V/DC
Max. idle speed	8600 1/min
Max. cutting disc diameter.	125 mm
Weight of machine without rechargeable battery	1.63 kg

3-year Würth power tool guarantee on wear and tear damages and replacement of batteries and chargers.

The guarantee is subject to the current terms and conditions, which must be followed.

3 Years Warranty on manufacturing and material defects

Excluded are damages caused by improper use, overloading or failure to observe the operating instructions.

Rechargeable battery/battery capacity	Art. no.	P. Qty.
	5701 424 000	1
5 Ah	5701 424 003	1

Details/Application

Tool for medium- to heavy-duty roughing and cutting. Perfectly matched for use with the cutting and roughing discs from our product range.
